Welcome to the Team!!

Head Over Heels Gymnastics would like to welcome your family to our Competition Team. Through this team handbook, we hope to give you more insight into how our Competitive Team program operates and answer many of your questions.

First, and most important, providing a fantastic gymnastics experience is what this club is about. We are here for the young athletes, many who have hopes and dreams of being the best they can be in life and in the sport of gymnastics. We are here to support them in that dream.

To make that dream come alive the gymnast, parents and coaches must function as a TEAM.

After reading this manual, if you have any questions about the program, please ASK!

Head Over Heels Gymnastics Team Philosophy

Head Over Heels Gymnastics Team is meant to give every gymnast an opportunity to excel not only in gymnastics but in life. When properly taught, gymnastics teaches self-esteem, self-motivation, self-discipline, dedication, determination, work ethic, time management, teamwork, team spirit, leadership, sportsmanship, respect for danger, respect for others, poise and grace. When our students are done turning cartwheels, they will have established a base of life skills that will undoubtedly assist them through all of their non-flipping years.

Competition - It is part of our daily lives. We strive to be the best we can be in whatever we do. This competitive spirit, however, must be learned, nurtured and developed. We are committed to fostering the spirit of competition among our young gymnasts. Gymnasts must always remember to be respectful of teammates as well as coaches and portray sportsmanship in competition by playing fair, learning how to deal with failure, and winning graciously.

IMPORTANT REMINDER - Gymnastics excellence means becoming the best you can be individually. Their success is not measured by the trophies on the wall, but by the gifts they receive on their path to personal fulfillment.
Safety

Gymnastics is inherently a very dangerous sport. This fact combined with the high difficulty level many gymnasts at Head Over Heels Gymnastics will achieve only adds to the potential for injury. All parents must be fully aware of the risk involved in the sport of gymnastics. Speed, motion, height, flipping and the difficulty of the skill put our athletes in potentially life-threatening situations on a daily basis.

We at Head Over Heels Gymnastics are very aware of the potential danger and will make every effort to achieve and maintain a safe environment for our athletes. We believe in strength, flexibility and progressions to keep our athletes as safe as possible.

Training Content

In order to understand and appreciate what goes into the development of a competitive gymnast, one must understand exactly what it is we are trying to achieve during training. There are four fundamental areas of development, which need to be addressed during the training: (1) Strength, (2) Flexibility, (3) Skills, (4) Discipline.

(1) Strength Development – As with all sports one objective of the training is to make the difficult look easy. This is much easier to accomplish if the athlete has the strength required to master the skills. In most cases, the stronger the better. This is certainly true of gymnastics. It is also true that strength training can also play a role in the reduction of injuries. Strength development at the beginning or compulsory level focuses on building a base on which to build as the gymnast advances. Sit-ups, push-ups, pull-ups, running and so on are used to achieve this goal. While it may appear that the gymnasts simply repeat these basic exercises over and over again through the course of the year, in fact there are subtle and at times no so subtle variations in the performance of these exercises. Technique may be changed or improved, the number of repetitions change, resistance is altered, the range of motion is increased, and the athlete is continually challenged to complete his/her assignment.

(2) Flexibility Development – Flexibility development is also critical to the long-term success of the gymnast. Superior flexibility adds to the aesthetic appeal of the performance, allows the athlete to master skills more easily, and plays a role in reducing the frequency and seriousness of injuries.

(3) Skill Development – Skill development falls into two distinct, but related categories: Basics and New Skills. Basics are like the ABC’s of gymnastics. The gymnast uses these ABC’s to compose their gymnastics sequences and routines. If any of these basic building blocks is missing or defective, the entire performance is weakened. These basic skills, the building blocks of the sport, must be continually refined in order to permit the gymnast and his/her coaches to continually improve their performances. That is why we continually review and drill the basics.

(4) Discipline – Just like strength, flexibility and skill development, discipline plays an integral role when training. Training requires discipline from both the coaches and athletes. The coaches must be constantly keeping all athletes focused and training hard in order to allow them to continually improve their performance. Gymnasts must also keep themselves disciplined by forcing themselves to train harder when they get discouraged and keep focused when they get excited. Without discipline, the strength, flexibility and skills do not come.
Descriptions Of Levels Of Competitions

Compulsory Gymnasts – Level 3, 4 & 5 – These gymnasts ALL perform the same routines. This is the beginning level for our Competition Team. These gymnasts will have the opportunity to compete in 3-6 competitions around New York State each school year.

Optional Gymnasts (USAIGC) Bronze, Silver, Gold, Platinum & Premier – These gymnasts will have their own routines choreographed. These gymnasts will become members of USAIGC and compete in local USAIGC competitions. They will also have the opportunity to qualify to State, Regional & National Competitions. These gymnasts will have the opportunity to compete in 3-8 competitions each school year.

Compulsory Level Descriptions

Level 3 – This is the beginning level of competition at Head Over Heels Gymnastics. Compulsory routines are competed on all four events. The gymnasts compete their vault onto a stack of mats and stay only on one bar for their bar routine. They have short beam and floor routines.

Level 4 – This is also an entry level of competition. Compulsory routines are competed on all four events. The gymnasts compete their vault onto a stack of mats and stay only on one bar for their bar routine. They have short beam and floor routines.

Level 5 – This is the last compulsory level at Head Over Heels Gymnastics. Compulsory routines are competed on all four events. The gymnasts will now compete their vault over the Vault Table. They will also use both the low and high bars for their bar routine. The gymnast’s routines on beam and floor will be longer. Once the gymnast has competed a year at Level 5 and has mastered all of the skills in this level they will move up to Optional Levels.

Optional Level Descriptions (USAIGC Gymnasts)

All of our Optional gymnasts at Head Over Heels Gymnastics are members and compete under the rules of the United States Association of Independent Gymnastics Clubs (USAIGC). Please check out their website to learn more information www.usaigc.com. All optional gymnasts will have the opportunity to compete in local meets. The gymnasts must meet certain requirements to qualify for States, Regionals & Nationals. Please see qualifying requirements below.

Bronze – This is a beginning optional level. This is the first time a gymnast will get their own routines meeting specific requirements outlined by USAIGC.

Silver – This is also a beginning optional level. The gymnast will have their own routines and the difficulty of the requirements increase.

Gold – This is an intermediate optional level. The gymnast will have their own routines and are allowed to do more difficult skills. The gymnast’s individual vault will determine the start value. Along with their requirements on bars, beam & floor they have the opportunity to gain bonus (maximum - 1 tenth).

Platinum – This is an advanced optional level. The gymnast will have their own routines and are allowed to compete any skills with no restrictions. The gymnast’s individual vault will determine the start value. Along with their requirements on bars, beam & floor they have the opportunity to gain bonus (maximum - 3 tenths).

Premier – This is the highest level in the USAIGC program. This level has their own routines and follows the NCAA rules to prepare the gymnasts to compete in college.

Qualification Requirements for USAIGC Gymnasts To State, Regionals & Nationals

State/Regional Championships Qualification Requirements – To qualify to the State/Regional Championships Bronze, Silver & Gold gymnasts must attend a minimum of 3 USAIGC local competitions. Platinum & Premier gymnasts must attend a minimum of 2 USAIGC local competitions. The qualification score must be achieved at least once.

National Championships Qualification Requirements – Gymnast must compete in the State/Regional Championships and attain the qualification score at that competition to qualify to Nationals.

You may withdraw and re-enroll at any time throughout the year (see withdrawal policy). Your child may make-up a missed class (see Make-up Policy). However, missed classes cannot be transferred to future terms in place of tuition. There are no tuition adjustments for missed classes.
Tuition is based on a full Academic Session broken up into ten equal monthly payments. Months may have 3, 4, or 5 classes. Tuition is not prorated or increased depending on the number of classes in a month. Holiday and gym closings are already factored into your monthly tuition for the Academic Session. Tuition will not be prorated regardless of number of classes per month due to holidays, inclement weather or gym closings.

Payment Procedures
Automatic Payment System - Our program runs on an automatic payment system. Tuition is paid every month on a continuous basis for the Academic Session. On the 20th of each month, tuition for the following month will be charged to the credit/debit card number we have on file for you in our secured system. (e.g., on November 20th, December’s tuition will be drawn) If the 20th falls on a Sunday your card will be charged Monday the 21st. **No automatic re-enrollment for Summer Session**
Alternate Payment Methods - If some months you’d rather we didn’t use your card on file, simply pay before the 20th of the month for the following month’s tuition with a check, cash or an alternate credit card.
Returned Check Fees - There is a $30 charge when a check is returned to us. We will NOT redeposit your check. The only remedy for this oversight is CASH or CHARGE, and must be paid by your child’s next class meeting.

• This policy enables a more efficient billing process and manageability of accurate class enrollment. If a written withdrawal notice has not been received by the 19th of the month, your card will be charged on the 20th for the following month’s tuition. For your convenience, withdrawal forms are available at the front desk. NO EXCEPTIONS will be given to this policy! This Policy is STRICTLY ENFORCED!

• If a written withdrawal is not received by the 19th of the month, your child will automatically be enrolled in his/her class for the upcoming month and you will be responsible for tuition.

• **ONLY WRITTEN NOTIFICATION OF WITHDRAWAL WILL BE VALID. ORAL WITHDRAWALS ARE NOT ACCEPTED.** It is not sufficient to orally inform your child’s coach, the front desk or leave a message on the answering machine.

• Acceptable forms of written notification are filling out a withdrawal form/written note left in the withdrawal box at the front desk, email or snail mail.

• ALL make-ups must be done prior to withdrawing. NO MAKE-UPS will be honored after your child has withdrawn from the program. All make-ups are forfeited after withdrawing from the program.

Refunds

Tuition pays for your child’s spot in class regardless of attendance. Refunds are only given within your child’s first two weeks of their first month. Refunds or Credits will not be given at any other time.

There will be no refunds given for gym closings including holidays and inclement weather.

Once we have re-enrolled your child in class there are no refunds. If you would like to withdraw your child from the program and not have your credit card on file charged, simply notify us in writing by the 19th of the current month for the following month. WRITTEN NOTICE to withdraw must be received by the 19th of the month or your credit card will be charged for the following month’s tuition.

Make-up Policy

Just like college, your tuition pays for a class spot, REGARDLESS OF ATTENDANCE. However, as a courtesy, our program offers make-ups when doing so does not jeopardize the safety or integrity of the class.

• We offer unlimited make-ups to currently enrolled students. (This does not apply to Team Gymnasts) Make-ups must be done in the session that the class was missed - either the academic session or summer session

• Team gymnasts are allowed 2 make-ups per month. Make-ups for Team Gymnasts MUST be done in the month the class was missed.

• We will make every effort to provide a make-up in a class at your child’s level. There are some classes that are so advanced or specialized that we only offer one class a week. In order to make-up one of those classes you will need to take the make-up in a closely related class.

• Make-ups are offered for inclement weather closings. All holiday closings are factored into the monthly tuition and make-ups for these breaks can not be scheduled.

• Make-ups must be taken while a child is enrolled. Once a child withdraws from the program, all make-ups are forfeited.

• Make-ups are not drop-in situations and MUST be scheduled at least 24 hours in advance.

• Once a make-up is scheduled, it is up to you to get your child to that class; if you miss that make-up class, it still counts as a make-up.

Make-ups are a privilege. We reserve the right to refuse to offer a make-up if we feel it will affect safety or lessen the experience of those children who are registered for that class.

***Team make-ups may ONLY be done in the gymnasts current Level or in Girls Elite Stars. Team gymnasts may NOT makeup with a different Level.***

USAIGC gymnasts will need their own floor and beam routines choreographed. Your head coach will handle setting this up. Your head coach may or may not be the person choreographing your gymnasts routine. It may be another coach on staff doing the choreographing. The gymnasts will be required to arrange three (1 hour) private lessons to learn their own routines. The cost is $45 per hour for each private. (This fee is paid directly to the gym via cash or check) There is also a fee for the music. Gymnasts should change routines approximately every 1-2 years.
How To Order Floor Music For USAIGC Gymnasts (Bronze, Silver, Gold, Platinum & Premier)

Please remember that you will have to dance and tumble to this music. It is best to pick music that not only the gymnast likes but judges will like as well. New popular music is not always the best choice!! If you need some help, please talk to your head coach for ideas!

- Go To www.floorexpressmusic.com
- To listen to music choices Go to the “Songs Page” and go down to the bottom and use the drop down menu under CD Title. Hit Submit Query. On the next page you can listen to the 30 second clips or demo of the songs. When your gymnast chooses the song she likes it is time to order.
- Click “How To Order”
- Go to the internet order paragraph and click on “Songs Page”
- At the bottom of the page use the drop down menu next to CD Title. Put in the CD # and Press Submit Query
- Scroll down until you find the Track # (please make sure the track # & track name is the same as on the CD)
  - Select a CD + 1 Backup CD (or you can purchase a download and burn your own CDs-please use a high quality burner & CD)
  - Press Order and Finish with Payment
  - Please have the CD's shipped to your home
  - When you receive them put your gymnast's name along with the gym name on both CD's.
  - Place one CD in your gymnast’s bag and bring the other CD into the gym.
  - Once your gymnast brings her music into the gym it will be time to set up her private lessons to choreograph her beam and floor routines with your head coach. The gymnasts will need three (1 hour) private lessons to learn their own routines. The cost of each private lesson is $45, this can be paid directly to the gym via cash or check. Please either see your head coach at the gym or you can email the gym to arrange these privates. Your head coach may not be the only coach choreographing, but all communications will start with them!

Team Program Policies

Expectations of Athletes

The way you act in the gym is a reflection of your respect for yourself, for teammates, and for Head Over Heels Gymnastics. Only the highest standard of behavior will be acceptable. The following actions show respect and are expected of a Head Over Heels Gymnastics Team member.

1) You are expected to work hard and do your best.
2) Arrive at the gym ready to participate with proper attire (Girls – Leotard or Leotard and Bikers), hair pulled back, jewelry off, gum in the trash can and ready to go!
3) Optional Gymnasts must carry a copy of their music in their bags at all times.
4) If grips are worn we recommend having 2 pair in case one breaks.
5) Practice will begin promptly at designated times and gymnasts must be ready to perform at that time.
6) Treat other gymnasts with respect, be kind to those gymnasts younger than you, and do not think to hold yourself out as better than other gymnasts. Everyone has strengths and weaknesses and if you have not found them yet, you WILL.
7) Only concern yourself with things that YOU can control, which are YOUR ATTITUDE, YOUR EFFORT....YOUR GYMNASTICS!!
8) Maintain a positive attitude when facing fears and frustrations. Gymnastics is the most demanding and difficult of all sports. All gymnasts suffer setbacks, frustration, fear and defeat. Expect these things, learn from them, face them and overcome them!
9) Ask permission to leave the gym. This applies to going to the restroom, getting a drink or talking to parents. The main reason is so that your coaches always know where you are.
10) Always act in a way that shows respect for you and for the gym. There is no place in our gym for displays of anger or disgust, talking back to coaches or other adults, or crying because you have given into your frustrations or fears.
11) Be honest, cheating is the ugliest form of disrespect. It shows disrespect to your coaches, your parents, and most importantly to yourself.
12) Show respect for your safety and to the demands of your coaches by staying off the equipment without the specific permission and supervision of a coach.
13) Always wait inside the facility for your ride. Gymnasts are not to wait outside for pick-up following practice.
Expectations of Parents

Parents play a huge role in the development of a successful gymnast. Your role is every bit as important as that of the gym, coaches and the athlete. The following actions and ideas are expected of Head Over Heels Gymnastics Team member’s parents.

1) A gymnast’s parents are an instrumental contributor to her success and happiness. Tuition and fees must be paid on time and a commitment to transport your gymnast to and from workouts and competitions must be made. In addition and equally important, parents must help instill work ethic, values and provide support for your gymnast to be successful.

2) Please try not to talk to your gymnast during practice, including if your gymnast is getting a drink. It is important for the gymnasts to stay focused and with their group.

3) If you need to get a message to your gymnast during practice, please talk to the office staff and they will relay the message.

4) Parents are not permitted on the gym floor and must refrain from coaching or commenting during any training session. If your child is not paying attention or messing around, we realize it is tempting. This is the job of the coaches.

5) We encourage you to watch your gymnasts practice a few times a month to see her progress and work ethic. It is also important to let your gymnast practice without you present to allow them to completely focus on the instruction from their coach.

6) We feel that communication with the parents of our team members should be open and flowing. We email all important team information.

7) Parents are expected and encouraged to show proper respect for our sport at all times. Rude, belittling, or negative comments about coaches, parents, and other gymnasts are always inappropriate and have no place in our program.

8) If you have a problem or concern, please speak to the coach. Complaining to other parents cannot solve your problem, nor can we solve them if we do not know about them. So save your self the time and aggravation and come to us.

9) Be encouraging and positive to your child. Be careful of comparisons, because each child is an individual with different talents and capabilities.

10) Please be on time to pick your gymnast up after practice.

11) Please familiarize yourself and your gymnast with the Team Handbook. It is important that the parent and gymnast understands the rules and policies of the competition team.

12) If you have any questions regarding the gym or your gymnast’s… please contact the gym via phone or email. Under no circumstances should a coach get a call on their personal lines. Please remember that this is our job and our free time or personal time is important to us.

Other Policies and Procedures

1) **Workout attire.** Girls must wear a leotard or leotard and bikers. No jewelry is permitted and hair should be pulled tightly away from gymnast’s face.

2) **Attendance.** We encourage the gymnast’s to be at every practice. If a conflict arises the gymnast can do a makeup class on a different day of their level or in Elite Stars. (Please see the makeup policy) This MUST be scheduled through the office at least 24 hours in advance.

3) **Emergency Procedure.** In the unlikely event of a medical emergency, this will be the procedure. Emergency First Aid will be administered, including requesting of emergency medical technicians and an ambulance if needed. If you are at the gym when an injury occurs do not come onto floor until the coach gives you the appropriate signal. If you are not at the gym, you will be contacted using the emergency contact information located on your registration cards. Your instructions will be followed from that point on. In the event we are unable to make contact with a parent, we will make arrangements to contact the medical staff and hospital closest to the facility.

4) **Inclement Weather Procedures** We will be closed when the Local School District closes and/or the Local School District’s After-school Activities are cancelled. Cancellations due to the weather will be on the gym answering machine at least 1 hour before classes start. Make-Ups can be arranged for missed classes due to weather as long as the child is currently enrolled.

5) **Team Information:** We email all team information. Please make sure to provide us with your email address. If there is a change in your contact information/email, please let us know as soon as possible.

6) **Summer:** We highly recommend the gymnast attends our summer camp/Team classes to keep up with their skills, learn new skills and stay in gymnastics shape.

7) **Private Lessons:** Private lessons are available. The fee for privates are $25/ ½ hour and $45/1 hour. If you are interested in private lessons please see your gymnast’s coach.
Team Placement and Mobility between Levels

Our coaches determine the placement of athletes on our team based on their skill level. This will be done within their 1st month of Team during that school year. The gymnast will stay at the same level for the school year. The gymnasts need to have all but one skill mastered of the next level to move up. (The only exception is moving from Level 5 to USAIGC Bronze where the gymnast must have competed at least 1 year at Level 5 and have ALL of the Level 5 skills mastered to move up to USAIGC Bronze) Mastery of a skill is determined by doing the skill all by themselves on competition equipment.

The mission of Head Over Heels Gymnastics Team is to develop healthy and confident gymnasts. One way in which we can help meet this goal is to place the gymnasts at the level where they can be most successful. This means that every gymnast must be able to perform the skills and routines required at a given level comfortably. The skills should not be beyond her ability level. Again, the coaches determine the placement of athletes on our team.

**Please note- It is very difficult for the gymnasts to move to the next level if their attendance is sporadic. It is also a challenge if the gymnast does not attend the summer session.**

Disciplinary Actions

The rules and policies, which govern the gymnasts and their parents, have been outlined here and in other sections of the Handbook. In the event that there is an ongoing pattern of disruption or there are major rule infractions, it may become necessary to impose some disciplinary action in an attempt to improve the situation.

The list and the procedures noted below are not intended to be all-inclusive. They are presented as an expression of our beliefs as to what disciplinary actions are necessary and appropriate. We will treat all of our gymnasts and gym parents as individuals and will seek to impose the most effective disciplinary actions based on each unique set of circumstances.

**Examples of Disciplinary Actions**

1. The gymnast may not be permitted to rotate with his/her group at the designated time. He/She will have to stay and finish his/her work or repeat the entire assignment on a particular piece of equipment.
2. The gymnast may be asked to sit and watch.
3. The gymnast may be given appropriate conditioning to perform which will help focus her attention and build strength to accomplish the task at hand.
4. The gymnast may be asked to leave the gym and go home early.
5. The coach may request a meeting with the parent.
6. The gymnast may be suspended from the team for one or more days or may be scratched from a competition. Please note that if the gymnast is suspended from a competition due to poor attendance, a poor work ethic or negative attitude (or for any other reason) the entry fee is nonrefundable.
7. The gymnast may be asked to leave the program if we cannot get her to conform her behavior to the expectations of the team, coach, or the gym.

**Notes:** The first four items on the above list are fairly common and we will not generally communicate these disciplinary actions to the parent of the gymnast. The development of the coach/gymnast relationship is paramount. We cannot and will not run to the parents every time we have a problem. We will attempt to build our own relationships with our athletes. Those relationships are built on time shared, ups and downs that are part of all-important ventures. The downs include discipline problems and we will attempt to solve them within the framework of building a relationship.

The fifth item on the list, requesting a conference, signifies a need to work outside the coach and athlete relationship. In this instance we need your help to overcome a challenge that is too much for us to accomplish on our own. It does not necessarily mean that we are confronted with a serious problem. It only means that we need your help.

The final two items on the list are reserved for the most serious violations of our rules and policies. They are seldom used. They are reserved primarily for times when there is an ongoing problem with disruption and disrespect within the gym that has proven resistant to improvement. We will not let the bad attitude of one gymnast to bring sown the spirit and work ethic of an entire group.

**Actions or Inaction of Parents**

It is also possible that a gymnast will have to leave our program because of the actions or inaction of her parents. While we never want to punish a child for the actions of her parent(s), we will not tolerate parents who by their words and actions do not support the policies and values of our team program.
Gymnast Health

Treatment of Rips

Gymnasts should expect to get rips on their hands from the bars from time to time. Gymnasts are expected to still do bars when they have a rip or get a rip. Here are some treatment methods that the gymnast can do at home to help heal and prevent rips.

1. Before going to bed the gymnast should put ointment on the rip (Neosporin, Preparation H), followed by a bandaid and a sock over the hand. They should keep this on while they sleep to keep the moisture in.
2. Hand lotion, vitamin E or aloe vera can also help heal a rip.
3. Trimming calluses is also recommended. (Younger gymnasts must have help with this)
4. If rips are a problem for your gymnast we do sell palm guard grips at the office to help prevent rips.

Dowel Grips

It is the coach’s discretion when the gymnasts will start wearing dowel grips. Grips should be purchased through the gym to ensure the right fit. Gymnasts should always have 2 pairs of grips broken in. The gymnast will also need to have wristbands to go under their grips. The gymnasts should alternate between the pairs for each bar workout. It is the gymnasts and parents job to check and make sure the grips have no rips, tears or the leather is too thin. Grips usually have to be replaced every 6-12 months. Gymnasts should also be re-sized periodically. Please make sure your gymnast is checking their grips periodically, they can be dangerous if they are worn out. Gymnast should not wear a used pair of grips or borrow another gymnast’s grips. This can be dangerous!

In case of an injury

In case of an injury during workout or competition, please wait for your coach to give some indication that you should come onto the floor. In most cases you will not be invited onto the floor, because the injury will be relatively minor and the coach will take care of it. Your gymnast will continue training or competing and will need to maintain his/her focus. In cases of more serious injuries where the gymnast will be finished for the day the coaches will let you know what course of action to take.

Care of an injury

Remember the acronym R.I.C.E.
R = Rest the injured body part
I = Apply Ice
C = Apply Compression
E = Elevate the injured extremity above heart level

Apply ice for 20 minutes at a time 3-4 times a day for 48 hours after the injury. The application of ice in this manner can cut the healing time for minor injuries in half.
Competitions

Head Over Heels Gymnastics Team philosophy is that the coaches, the gym, the parents, and the gymnasts are all part of the team. Please remember gymnasts and parents alike, the gym is noted by judges, coaches and other gym parents for a number of things. Appearance, behavior, manners, etc. and especially the manner in which the gymnasts conduct themselves at all times. Sportsmanship is important in this sport both from the gymnasts and parents. We try and give a tentative meet schedule out in October for the upcoming school year.

Competition Schedule

At the beginning of the school year (September/October), a tentative schedule of meet dates and locations will be handed out. Meets may be added, changed or canceled. We will be attending 3-8 meets throughout the school year depending on your gymnast’s level.

Entry Into A Competition

We will send out entry information (including place, date & meet entry fee) via email. If you would like to register your gymnast for that meet the meet entry fee (cash or check only) will be due by the deadline given. Each meet has a different fee which is designated by the host gym. Your gymnast will not be able to attend the competition if the entry fee is not paid by the deadline or is late. A $2 administrative fee will be added to the entry fee. There will be NO refunds after the competition deadline.

Competition Information

The average meet can take as little as three and a half hours or as long as six. Approximately 1-2 weeks before the competition we will email you a “meet information sheet” with specific days/times, hotel names and meet address. The gymnastics club that is holding the competition will set the final meet schedule. Please do not call a host gym for meet information as we will be happy to provide everything you need to know.

Please note: We get the info out to you as soon as we receive it from the host gym (So please don’t email us asking about the info!!)

Parents Obligation For Meets.

It is the parent’s responsibility to make sure the gymnast is on time to the competition. (1/2 hour earlier than time given) It is the responsibility of each individual gymnast’s family to make and pay for travel, hotel (if needed) and meal arrangements for all competitions, clinics and other team events unless otherwise stated by the team staff.
We do encourage all of the gymnasts and their families to go out for a meal together after the competition. This promotes team bonding, unity and FUN!
Admission is charged for all spectators at meets.

The Meet Takes How Long?

The average meet can take as little as three and a half hours or as long as six hours.
Most competitions run in a format similar to below

**Warm-up** – Usually 15-30 minutes long. This time is for general stretching and getting equipment settings specific to the gymnasts

**March In** – All the gymnasts line up and march in to the gym to be presented to the audience and judges. The National Anthem is usually played. This takes about ten to fifteen minutes.

**Competition** – The gymnasts now actually warm-up on the events and compete. The receive scores from the judges on each event. This may take approximately 2 hours to complete.

**Awards** – If the host club running the meet is on the ball, you may only have to wait five to ten minutes before the awards are handed out. It has been known to take significantly longer to get the awards ready. Once they are prepared it may take approximately half an hour to hand out awards.
Insight To Judges At A Competition

Scoring at a gymnastics competition can sometimes not be the easiest thing to figure out. Here are some pointers to remember:

• All judges are different. This is a very subjective sport. Your gymnast’s scores from meet to meet can vary greatly, even if the routine they perform is similar. It is very hard to compare scores from meet to meet since it can vary on how hard or easy the judge is, the level of other competitors and sometimes for no reason at all. It is better to focus on your gymnasts performance and if they improved.

• Compulsory Gymnasts (Level 3-5) routines all start from a 10.0

Optional Gymnasts (USAIGC Bronze, Silver, Gold, Platinum & Premier) routines have different start values. This start value depends on what skills are in your gymnast’s routine. Each level has different requirements that the gymnasts must fulfill in order to get the maximum start value. Gold, Platinum & Premier also can receive bonus points.

• Once the gymnast starts her routines judges will then take tenths away from the gymnast start value.

Examples of Items that the judges can deduct for:
- Falling
- Stopping (if it is not supposed to in the routine)
- Bent Arms
- Bent Legs
- Flex Feet
- Spotting
- Not performing a skill
Those are just to name a few!!!!!!

• If you have any questions on what your gymnast needs to improve on to increase her scores talk to her coach. It is best to talk to your gymnasts coach at the gym where it will not be as hectic!!
